Statement of recertification process: ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018

To whom it may concern.

We hereby confirm that the company VITO NV with registered office at Boeretang 200, 2400 Mol, Belgium, has started the recertification process: **ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018** with LRQA Belgium BV.

The scope for the ISO 9001; ISO 14001 and ISO 45001 certificate contains:

Research activities with the focus on cleantech in the areas of chemistry, energy, health, materials management and land use, development of new technology, products and processes in these domains, providing independent advice and services concerning raw materials management, closed material cycles, new business concepts, more efficient (bio)chemical processes, reuse of valuable components from process streams, optimisation of thermal energy systems, healthy living and working environment and land-use. The activities concerning proficiency testing & recognitions and the activities of Certipro are excluded.

The first part of the certificate renewal started on the 27th until 30 May, carried out by our auditors Mr. Ben Windey and Rob Riebergen.

The 2nd part of the audit has not yet been conducted. It's planned from the 4th until 13th September 2024.

The ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018.: will be awarded to VITO NV as soon as possible, after successful completion of the recertification.

Yours Sincerely,
